## CONFERENCE PROGRAMME

### 08:00 – 12:00 Lindholmen Conference hall

Time

08:00 – 08:30 Registration & Exhibition

08:30 – 08:50 Introduction

Moderators: Ödgård Andersson, Ericsson &  
Kent Eric Lång, Viktoria Swedish ICT

[Keynote Speaker](#)

08:50 – 09:30 5G - Not just a faster 4G Software Engineering

Erik Ström, Chalmers University of Technology

09:30 – 09:50 Autonomous – the next enabler for  
business model disruption

Peter Tyreholt, Cybercom

09:50 – 10:10 Cyber Security in a Connected World

Ulf Corneliusson, Combitech AB

10:10 – 10:40 Coffee Break & Exhibition

10:40 – 11:00 Would the EDW be drowned in the  
open-source “data lakes”?

Krum Daskalov, Scale Focus AD

11:00 – 11:20 IoT in Industry – Connecting Critical Infra  
structure with Business Processes

Stoyan Boev, ICB-InterConsult Bulgarias

11:20 – 11:40 Leaving the Factory Paradigm

Johan Lange, The LUCK Concept

11:40 – 12:00 ElectriCity - Platform for innovation  
- a collaboration

Gunnar Ohlin, Lindholmen Science Park

12:00 – 13:00 Lunch Break & Exhibition

*Restaurants at Lindholmen*

*Two more parallel sessions on the next page...*

13:00 Parallel sessions starts at  
Lindholmen Conference hall, Conference Room  
Pascal & Visual Arena Studio (Lindholmspiran 3B)

### 13:00 – 16:30 Lindholmen Conference hall

Lindholmen Conference Centre

Time

13:00 – 13:10 Conclusions from the morning session

Moderator: Kent Eric Lång, Viktoria Swedish ICT

[Keynote Speaker](#)

13:10 – 13:50 Speed, Data and Ecosystems: Towards  
Building Autonomous Systems  
Technologies

Jan Bosch, Chalmers University of Technology

13:50 – 14:10 How to get design Thinking into your  
minimum viable product

Dulce Goncalves & Reza Javaheri, Combitech

14:10 – 14:30 Challenges in Large Scale  
Continuous Integration

Conny Wickström and Erik Backlund, Ericsson

14:30 - 15:00 Coffee Break & Exhibition

15:00 – 15:20 Software analytics and how to draw  
conclusions out of data

Jesper Derehag, Ericsson

15:20 – 15:40 Managing Technical Debt in Agile  
Organizations

Antonio Martini, Chalmers University of Technology &  
Henrik Harmsen, Ericsson

15:40 – 16:00 Why is X trending? Why the hype?

Fredrik Wendt, Growing Agility

16:00 – 16:20 We'd like to support you in  
taking your medicines

Jesper Hassel, Mevia

16:20 – 16:40 Just more digital gossip or how to create  
value with your connected product?

Helena Reimeringer, HiQ and Joel Lundgren, HiQ

16:40 – 16:45 Conclusion

Moderator: Kent Eric Lång, Viktoria Swedish ICT

16:45 After Conference at Radisson Blu Riverside  
Hotel (at your own expense)

**13:00 - 16:45 Conference Room Pascal**  
Lindholmen Conference Centre

*Time*

- 13:00 – 13:10 Introduction**  
Moderator: Ödgård Andersson, Ericsson  
*Keynote Speaker*
- 13:10 – 13:50 Automatic programming, will future intelligent systems write their own software**  
Peter Nordin, Semcon/Chalmers University of Technology
- 13:50 – 14:10 Automated Driving of Long Vehicle Combinations**  
Peter Nilsson, Volvo Group
- 14:10 – 14:30 Lessons building product features using Machine Learning**  
Daniel Langkilde, Recorded Future
- 14:30 – 15:00 Coffee Break & Exhibition at Lindholmen Conference Hall**
- 15:00 – 15:20 Sensor fusion development for Self-Driving vehicles**  
Joakim Lin-Sörstedt, Volvo Cars
- 15:20 – 15:40 Connected Crew**  
JShahid Jabbar, Jeppesen
- 15:40 – 16:00 Ultra Wide Band, a new opportunity for low cost precision positioning**  
Hans Forsberg, Cybercom
- 16:00 – 16:20 VICTA lab, supporting the vehicle software eco-system**  
Kenneth Lind, Viktoria Swedish ICT
- 16:20 – 16:40 Enterprise Scale Continuous Integration and Delivery: A Bunch of Problems and a Few Solutions**  
Daniel Ståhl, Ericsson
- 16:40 – 16:45 Conclusion**  
Moderator: Ödgård Andersson, Ericsson

**13:00 - 16:30 Visual Arena Studio**  
Lindholmspiren 3B

*Time*

- 13:00 – 13:10 Introduction Gaming Track**  
Moderator Christian Riedl, Lindholmen Science Park  
*Keynote Speaker*
- 13:10 – 13:50 Games and Learning**  
Jonas Linderöth, University of Gothenburg
- 13:50 – 14:30 Real world Game Designers**  
Josefine Westborg, Interaktionskontoret
- 14:30 – 15:00 Coffee Break & Exhibition at Lindholmen Conference Hall**
- 15:00 – 15:20 From students to gamedevs - Stunlocks story**  
Tau Petersson, Stunlock Studios
- 15:20 – 15:40 Ludosity Talk**  
Joel Nyström, Ludosity
- 15:40 – 16:00 Guru Talk**  
Daniel Ström, Guru Game
- 16:00 – 16:20 Mobile Storytelling**  
Jonathan Sterner, Mobile Storytelling
- 16:20 – 16:30 Conclusion**  
Moderator Christian Riedl, Lindholmen Science Park

**After Conference is open from 16:30**  
Get together at the cool bar and restaurant Cuckoo's Nest at the Radisson Blu Riverside Hotel, Lindholmspiren 4, Lindholmen. The After Conference is at your own expense.

**CONFERENCE EXHIBITION 08:00 - 17:00**
